148 Projects, All 10 Council Districts

Each Keep Austin Beautiful Day, volunteers come together to care for Austin's many creeks, parks, streets, and waterways in a focused day of community service, holding up a mirror to the work we do all year round.

These diverse and numerous service projects bring together community groups, neighborhood associations, schools, local businesses, and teams from our sponsoring partners. It is a day for showcasing our love for this city, and our enthusiasm for giving back to our community.
